

Kirill Trofimov

Astana, Kazakhstan +7 (705) 890 28 14 kitrofimov39@gmail.com

Education

Bachelor’s degree in Artificial Intelligence (unfinished) *Astana, Kazakhstan*
Eurasian National University, Sep 2025 – current GPA: 3.76

Advanced Mathematics & Informatics Courses *Moscow, Russia*
MIPT ZFTSh, Sep 2024 – May 2025 GPA: 4.0
Completed advanced courses as part of the above-school curriculum at one of Russia’s leading remote education institutions.

High School Diploma (with Honors) *Moscow, Russia*
Private School “Stolichniy-KIT”, Sep 2022 – May 2025 GPA: 4.0

Data Analytics Course
T-Bank Education, Sep 2024 – Oct 2024
Studied business analytics metrics (conversion funnels, retention, cohort analysis), A/B testing; performed practical data analysis in Python using `pandas`, `numpy`, `matplotlib`.

Data Science Course
Foxford Online School, Sep 2021 – Feb 2022
Covered ML (preprocessing, predictive modeling), DL (NNs, gradient descent, backpropagation), CV (CNNs), NLP (embeddings, supervised models).

Awards

Medalist of the Open School Olympiad in Informatics *St. Petersburg, Russia*
ITMO University, Mar 2025
Solved advanced informatics problems demanding both theoretical and practical knowledge under a strict 3-hour time limit.

Winner of the All-Russian Case Competition “Reshis’!” *Moscow, Russia*
Central University, Dec 2024
Competed in three multidisciplinary case challenges (business analytics, AI, and development) involving complex technical problem-solving, presented solutions to the jury, and ranked 4th out of 3,000+ participants.

Winner of the All-Russian “Foxford” Olympiad in Informatics
Foxford Online School, Nov 2024
Demonstrated strong algorithmic and programming skills by solving the full set of problems with a perfect 100/100 score.

Ranked 4th out of 50 teams *Yekaterinburg, Russia*
Data Science Hackathon of the “DANO” School Olympiad, 7–8 Sep 2024
Built and presented an AI/ML product on Tinkoff car insurance data to evaluate risk and automate policy issuance.
